Arriving in Vancouver?

Don't fight for a taxi, or waste your vacation time waiting on another shuttle bus doing a tour of everyone else's hotel!

You are going to want a tour of Vancouver anyway.

We will be waiting for you and:

- meet you personally at the cruise ship, or airport
- jump ahead of everyone else and whisk you off on a great private tour
- then on to your hotel, or airport

We offer three different itineraries to get to know the most beautiful city in the world.

Best of Vancouver City Tour (half day):

The most favorite must see places from Stanley Park to Chinatown, all with a talented, professional guide.

Vancouver's Gardens Tour (half day):

Culture, history and flowers, flowers, flowers....All to enjoy in Vancouver's spectacular gardens.

Alpine Adventure Tour (afternoon 3/4 day):

Bears, sky rides, mountain views and a suspension bridge! Do not forget your camera for an incredible view of the whole city from the top of Grouse Mountain.
